DAN

-iiiiit!

Their breaths are heavy, but Dan has stopped in his march.

JASON

What?

DAN

Shit.

JASON

Okay, so what's your problem?

DAN

No, like actual shit. Poo.

Dan stepped in some fecal matter and is now trying to brush it off onto a log.

JASON

What kind?

DAN

I don't know. We're in the woods.
Animal shit.

JASON

There is that hobo.

DAN

Ah god. Don't remind me of that.

This subject strikes a nerve with Dan. He stops in his walk.
Jason also stops and turns to Dan.

DAN (CONT'D)

...fuck.

JASON

Ugh. Come on. Push through it. You can worry about it when we separate.

DAN

Yeah, yeah, right, whatever.

Jason turns to keep walking.

DAN (CONT'D)

Actually, I got to piss. Hold up.

JASON

We should keep moving.

DAN

Give me like, thirty seconds, and we can keep walking.

JASON

We just heard a gunshot. I don't want them gaining on us. Piss later.

DAN

Fuck that. It's unhealthy to hold it in.

JASON

It's unhealthy to die, come on.

Jason tugs on Dan. Dan gives him a look of displeasure and Jason tugs again.

DAN

We would stop if you had to go.

JASON

Probably.

Jason tugs on Dan again.

DAN

Fine, but I'm still pissing.

Dan turns around to walk backwards.

JASON

What are you doing?

Adrienne Stern Casting

He unbuttons his fly.

JASON (CONT'D)
Oh god, what are you doing?

And as a small victory Dan urinates as he walks backwards.

JASON (CONT'D)
Ah god stop.

DAN
Can't now. Mid flow.

Jason attempts to look away.

JASON
Ah god I hate you.

Dan finishes and turns around as he buttons up. Jason and Dan merely trade a glance. Dan is victorious as Jason merely grimaces. Then Jason turns around and begins to urinate.

DAN
Ha!

EXT. SMALL OFFICE COMPLEX - DAY

31

Dan parks his vehicle outside of this privately owned accountant's office. Two other cars are already parked there as well. Scope, Boots, Khakis, and Silk are here.

32

INT. DAN'S CAR - DAY

32

Dan is about to exit the vehicle, but sees Khakis closing the trunk to the one car.

Scope and Silk then exit the building with a briefcase in Silk's hand. Dan's eyes widen when he sees this.

He grabs a small brown package that sits in his passenger seat. He tears it open with no concern of keeping the box. A can of mace is inside. The four men get into their cars and drive off. Dan then tosses the mace onto his passenger's seat and follows them.
