INT. WHITEHALL CAMPUS - NIGHT

START

Nick and Rosanna are walking back to the dorm.

NICK

You don't need to walk back with
me.

ROSANNA

I wanted a chance to talk to you
alone.

NICK

Before you say anything, I'm so
sorry for everything that happened
this semester. I wasn't myself. I
am sincerely not that guy.

ROSANNA

Well, actually, you were that guy.
You made all those choices, but you
seem more like the guy I first met.

NICK

I am.

They are in earshot of the SigKap house. They stop.

NICK (CONT'D)

I'm not one of them.

Benjamin is following a girl outside.

BENJAMIN'S GIRL

Gross, no. You're, like, as old as my dad.

BENJAMIN TRENTON

Shut up whore and suck your daddy's...

ROSANNA

I'm a DG.

Nick is slammed. Rosanna turns to him.

ROSANNA (CONT'D)

Just because I am part of a group doesn't mean I need to be like them. If they want to make bad choices, then let them. We all get to choose.

NICK

You don't think Courtney is going to torture you?

Rosanna shakes her head.

ROSANNA

No. And even if she tries. I'll have you to talk to.

NICK

Yes, yes you will.

A girl pukes in a bush far away. Two girls hold her hair and a few freshman kids flirt with them.

ROSANNA

Cue person puking in the bush is when you're supposed to kiss the girl.

NICK

Sorry, sometimes I'm a little slow.

Nick kisses Rosanna and we fly up over Benjamin and the girl; Adam and Billy step outside; Token has a very hot white girl on his arm; the girl who was puking starts puking again.

THE END.
