

OLD 37
RACHEL SIDES

. INT. BROOKE'S HOUSE - DAY 74 Sweat soaked, Brooke and Rachel power through a kick boxing work out in Brooke's living room. Brooke's hair has big blue chunks

. **RACHEL Hair came out so good.**

. BROOKE Didn't want to be too obvious.

. **RACHEL Its totally subtle. What's Jason wearing to the party?**

. BROOKE If I even invite him.

. **RACHEL Really? Guess Jordan won't be there either now that he's**

. **-- Rachel holds up quotes.**

RACHEL (CONT'D) Missing.

BROOKE Guys are so annoying.

RACHEL So are their Mothers. She won't stop calling me --

BROOKE Step it up chatty.

RACHEL I am.

Brooke kicks closer and closer to Rachel's face. Rachel barely notices.

RACHEL I think its time me and Brad hang out. Don't you?

BROOKE Yeah, if you like that sort of thing.

RACHEL I think he's perfection.

BROOKE Like I said.

Rachel sways back to avoid Brooke's flying foot.

RACHEL Whoa. So what's up with you and Jason? He hasn't been here much.

BROOKE That's what I was trying to say before you started blathering on about Jordan and his mom!

Both girls kicks are getting more haphazard. Rachel looks angry for what seems like the first time in her life.

RACHEL Well?

BROOKE Well, if he doesn't get his shit together he can kiss this goodbye.

RACHEL Don't know what you got til it's gone.

BROOKE YOLO bitch.

Brooke does a rapid fire punch routine.

RACHEL Exactly. You know where Brad is today?

BROOKE What do I look like his fucking GPS?

Brooke breaks from her punched into a jumping kick that lands square in Rachel's face.

Rachel grabs her nose and runs out of the house.

RACHEL What is wrong with you?!
