

Evans Sides 1

46.

CPT. HARDWICK (CONT'D)
I don't care, just get somebody.
That's unless you want a fuckton
of monkeys screaming in that zoo
they call "the hood", you
understand?

SPAULDING
I don't want that, no sir, I've
got enough headaches.

CPT. HARDWICK
I don't know, break him down or
something but fucking do it. Get
creative. Improvise mother
fucker, improvise. We're taking a
beating on this thing out there.

SPAULDING
It's Evans' round sir, he's
cooling him off before I get back
in there.

CUT TO:

42

INT. POLICE STATION INTERROGATION ROOM - CONTINUOUS

42

Yann is terrified. Evans is very calm. He speaks slowly and
deliberately.

EVANS
You don't think you can just go
back out there, do you? Back onto
the block?

Yann is crying. They sit in silence.

YANN
Please.

EVANS
All of New York City is looking
at you. Every single person. They
all know that you took that poor
innocent little girl and had your
way with her.

YANN
(shaking his head)
I didn't-

EVANS

Can you picture it? Picture yourself walking out the front door of this station. Back into the world.

EVANS (CONT'D)

You think you can go back to your job? You think you can go back home?

YANN

I didn't do-

EVANS

-Shhh shhh. Nobody out there cares what you think you did or didn't do. They are going to eat you alive. Shit if it was me I'd probably choose being locked up, at least they got guards in there.

Evans watches Yann coldly as he is breaking down.

EVANS (CONT'D)

Nobody out there will ever see you as anything but a monster. Imagine what it feels like to be surrounded by people who know what you really are. Your face is in all the newspapers. Your name is on every major news outlet in the United States. You're famous now. You're famous for what you've done to that little girl. Forever. Your life is over. The only way out of this thing is to 'fess up and do your time. Plead temporary insanity induced by alcohol abuse. That's not a bad defense.

Yann is shuddering. His eyes widen as the reality sinks in.

YANN

Please, I need to ... I have to go to the bathroom.

Evans stares at him for a moment before standing up to leave.

Moments later OFFICER #1 enters the room.
