## HELLBENDERS

INT. OLD CHURCH - DAY

There's a TONE and Penelope's line goes dead. Larry blinks, lets the phone drop. He stares off into space, thinking.

LARRY

Some dude in the background behind Penelope was talking about sex. Paying for sex, maybe.

ERIC

She's cheating on you.

LARRY

There was more than one guy.

MACON

It could be an orgy.

ERIC

Or she could've been kidnapped. Multiple kidnappers. And then a Stockholm Syndrome group sex kind of thing...

LARRY

What the fuck are you talking about, Eric?

ERIC

It happens with girls. I've seen it in movies. Do we just have the one stripper or are you gonna get some actual professionals?  
(to the stripper)  
No offense.

STRIPPER

For saying I'm not a whore?

LARRY

We can't afford whores.

ERIC

This party is gonna suck. I'm gonna go eat some Trizzelrs and watch Tigerland.
