EXT. PLAYGROUND - CONTINUOUS

89

Marcus is playing chuck-hole with another friend.

Michael grabs Marcus and pushes him forcefully into a nearby chainlink fence holding him by the throat. Marcus is not a small boy but Michael is large and enraged. He easily overpowers him.

MARCUS

Yo, Mr. Watson what the fuck?!

Marcus struggles to get free.

MICHAEL

Where is she?!

MARCUS

Yo, you're trippin', what are you
talking about?!

MICHAEL

I know you know where she is!

Marcus is frightened.

MARCUS

I don't know what you're talking
about, c'mon man let me go!

Michael pushes him harder into the fence. He stares at him intensely.

MICHAEL

You took my daughter from us and
so help me if you've hurt a hair
on her head I'm going to fucking
kill you.

Michael stares Marcus in the eye, searching for a sign.

Marcus only looks afraid. Michael pushes Marcus to the ground and storms off.
