

Billie's electric car is parked in the driveway behind them.

KANE

I didn't believe it when you told me. It's an actual goddamn castle.

BILLIE

(passe)

It's a manor. More like a mausoleum.

She rings the doorbell again.

BILLIE (CONT'D)

Where is everybody? And watch your language. Don't give them any more of a reason to hate you.

KANE

Copy.

Billie rings the doorbell again.

KANE (CONT'D)

Wait-- They hate me?

Dale opens the door.

DALE

START

Look who it is. And you must be Carl?

KANE

It's Kane, actually. I go by Kane now.

DALE

Kane. Cool. Didn't mean to invade your safe space.

Nothing from Kane.

DALE (CONT'D)

Come in.

Bille and Kane enter the manor. The door closes with a thud.

DALE (O.S.) (CONT'D)

END

I just finished cooking breakfast if you're hungry.
